

Each day at the beginning of class, choose a different partner and describe who is feeding each of the following animals and what they are feeding them.

Ejemplo: Roberto le da de comer pescado al gato.
Roberto feeds fish to the cat.

NOTE: The le refers to an indirect object, in this case an animal. If more than one animal is being fed it would be necessary to use les.

el caballo	el perro	los conejos	las gallinas
el gato	la vaca	los patos	la oveja

el maíz	las croquetas de perro	el heno
las zanahorias	el pescado
